

Stanford West Reminders

Help Keep Stanford West Beautiful

Stanford West Apartments strives to maintain a pleasant environment for every resident. There are a large number of personal items being left in common area walk ways, catwalks, breezeways, and private patios/balconies. Some of these items are un-potted plants, shoe racks, clothes, boxes, trash, and Valet Waste Bins. These items left outside apartments are a safety hazard and in violation of the lease and the City of Palo Alto fire code. In addition, hanging bathing suits, brooms, mops, etc. from your patio/balcony or in front of your apartment is prohibited.

Starting Monday, September 14th 2015, you will be notified to remove any items that are left in the common area walk ways, catwalks, breeze ways of each building, and personal belongings outside of your patio. Acceptable items in your patio and balcony include potted plants, patio furniture and gas grills with a maximum of one 1 gallon propane tank per California state fire regulations.

Pool Towel Service

We hope you are enjoying the towel services we are offering at the pools. Due to the current drought and the importance of water conservation, please limit towel usage to one towel per person. Please be sure to return used towels to the appropriate bin when finished so that we can ensure there are ample towels provided at both pools at all times for everyone's leisure.

Pet Policies

We are pleased to allow pets to be a part of our community and would like to pass on a few reminders.

If you are a dog owner, we ask that you clean up all dog feces. Areas of the community are being damaged and becoming unsanitary because dog owners are not picking up after their dogs. In addition, dogs must be leashed at all times when outside of an apartment.

All residents should feel free to alert the office if they see pet owners violating the community's pet policies.

Your cooperation is greatly appreciated and thank you in advance for your effort in keeping our community a beautiful place to live. If you have any questions, comments or additional concerns, please contact our Leasing Office at (650)725-2000.
