IN-HOUSE APPLIANCE TIP

Microwave Ovens

- Always read and obey all safety labels placed on your appliance by the manufacturer. These warnings will identify any potential hazards and provide instructions for reducing the chance of injury or malfunction.
- Some products – such as whole eggs in the shell, or sealed containers may explode and should not be heated in the microwave oven.
- DO NOT PLACE METAL IN THE MICROWAVE OVEN. This includes metal containers, foil and wire twist-ties used to close paper or plastic bags.
- Do not use corrosive chemicals or vapors in the microwave oven.
- Clean ventilating hoods frequently and do not allow grease to accumulate on the hood or filter.
- For repairs and to report unusual operation with the microwave oven, please submit a maintenance request.

NO SOLICITATION REMINDER

Solicitation is not allowed at Stanford West Apartments. Solicitors sometimes attempt to go door to door and solicit goods or services, or ask for donations. Please do not give money to solicitors, as it may encourage them to return to our community and continue to knock on doors. Instead, please consider donating directly to established and trusted charitable organizations. Not sure how to find a charity? You can check out www.charitynavigator.org to find a reputable charitable organization nationwide. Please call our 24-hour Courtesy Foot Patrol at 650-740-2125 if you see solicitors in the community, or please call the Palo Alto Police Department if you observe any suspicious activity.

UPCOMING PROJECTS

Annual Fire Alarm Inspection, Fire Sprinkler Inspection & Sprinkler Cover Installations: We will be conducting required annual fire inspections in every apartment home this Spring. Along with inspections, we will be installing fire sprinkler covers in every home.

Road resurfacing:
The surface streets at Stanford West Apartments will be cleaned, repaired, and seal coated in the upcoming months.

NEIGHBORLY REMINDERS
Pets: Leash & Scoop
All dogs must be on leashes at all times when outside your home. Even if your dog is friendly, some people may be afraid or allergic to dogs, and sometimes other dogs may be shy or reactive. Dog leash guidelines protect both the dog and the dog owner from unexpected accidents.

Pet waste stations are located throughout the community. You are required to pick up after your pet. Additional guidelines can be found in the Community and Pet Policies in your lease agreement.

Speed Limit
The speed limit throughout our community is 10 miles per hour. Please adhere to the speed limit or slower, as our community has many residents walking, cycling and playing outdoors.

STANFORD WEST APARTMENTS FUN FACT
Varian Way is named after Sigurd and Russel Varian. They spend their early childhood in Palo Alto. In the early 1940’s, they developed the Klystron tube that became the basis for radar microwave technology. Later, they formed Varian Associates which was the first tenant in Stanford’s Research Park.
