In-house Appliance Tip

Garbage Disposal

- Garbage disposals are very sensitive to certain materials. Please only place light, soft food scraps into the disposal and always run water until the scraps have cleared (approximately 30 seconds after the disposal has been turned off).

- Please do not put the following items into the disposal:
  - Egg shells
  - Pasta, rice, bread crusts, other starches
  - Shells or pits
  - Bones
  - Coffee grounds
  - Vegetable or fruit peels
  - Raw meat
  - Oil or grease
  - Non-food items (plastic, paper, metal)

- Never use Drano or other drain-cleaning products

- To reset the disposal:
  a. Turn the switch to ‘off’ and unplug
  b. Clear the jam using a disposal wrench
  c. Press the ‘reset button’ on the bottom of the disposal

- For any other repairs, please submit a maintenance request

- If you have extra food waste, consider composting and save water. If you don’t already have a compost bin, please stop by the Leasing Office. We have small compost bins available for residents.

POOL REMINDERS

With Summer approaching, we would like to remind residents of the following pool etiquette:

There is no lifeguard on duty.

People under the age of 14 years old must be accompanied by an adult resident.

No diving, running, or boisterous play.

Alcohol and glass containers are prohibited.

Pets are prohibited in the pool area.

Pool towels are available for our resident to use while enjoying our swimming pools. Towels must remain in the pool area at all times. Please be sure to return used towels to the appropriate bin when finished so that we can ensure there are ample towels provided at both pools at all times for everyone’s leisure.

Additional guidelines can be found in the Amenity Policies in your lease agreement.

NEIGHBORLY SECURITY TIPS

We value our residents at Stanford West Apartments and would like to remind our community of some helpful tips to deter crime.

Please consider the following suggestions to help secure your belongings:

- Keep a close eye on all your belongings. Do not leave personal items unattended in common areas.
- Bicycles should be kept locked-up at all times particularly when left outside. Bicycles should also be locked while kept in the designated non-motorized vehicle storage rooms, or closed garages for additional security. We have bicycle storage rooms throughout the community. Please inquire with the Leasing Office for getting a key.
- Packages should be addressed to you at your home address, but require a signature so that they will not be left on your door step. This action will require the carrier service to take the package to the Corner Store in the event you are not home to sign for it. Once at the Corner Store we will remind you to pick up your package at your earliest convenience. (Please do not address your packages to the Leasing Office or Corner Store. This may cause your package to be lost, refused, or returned to sender.)
- Keep your garage door closed at all times.

Alliance Residential Company nor the owner of Stanford West Apartments can promise, warrant, or guarantee safety or security to residents or their personal property against criminal actions by other residents or third parties.

As a community, all residents are needed to help us keep a close eye on our community. If something or someone seems suspicious do not hesitate to report it to our 24-hour courtesy patrol at (650) 740-2125. Any emergencies or illegal activity should be reported directly to the Palo Alto Police department by calling 911.

Small items found throughout the property are stored securely in the Stanford West Apartments Leasing Office. Items are stored for 30 days. She joined the Stanford faculty in 1910, and retired in 1929.
